3rd Grade Reading Summative Assessment Results Overview and Scale Score (SS) Explanation

926 Cut Score Explanation

The 3rd Reading Summative Assessment scale score of 926 is the minimum score associated with readiness for 4th grade based on the requirements of the Literacy-Based Promotion Act. In accordance with Mississippi Code § 37-177-9, students must be above the “lowest achievement level in reading” to be promoted to 4th grade. This score was derived as a result of a standard setting process which included expert judgments by a panel of educators, parents, and community members from across the state and subsequent review by the Mississippi Department of Education and Mississippi’s National Technical Advisory Committee as well as other nationally known experts.

Performance Level Descriptors

PASS (926-1200 Scale Score):

A student who scores a 926 or above has acquired the minimum reading skills needed to learn 4th grade standards. Students who score within a close range of the cut score, however, still need additional intervention and supports in the following areas:

- Answer questions, referring explicitly to the text as the basis for the answer
- Determine the central message, lesson, moral in literary text
- Determine the main idea and recount key details in informational text
- Identify character traits as they relate to the story
- Refer to parts of stories, dramas, and poems using terms such as chapter, scene, and stanza
- Locate information relevant to a given topic using key words, headings, bold print, etc.
- Know and apply grade-level phonics and word analysis skills in decoding words:
- Identify and know the meaning of the most common prefixes and suffixes
- Decode multi-syllable words
- Determine and clarify the meaning of unknown or multiple-meaning words and phrases based on grade 3 reading and content

FAIL (600-925 Scale Score):

A student who scores at this level or below will need additional interventions and supports. Students who score below the cut score may have a minimal understanding of the following skills:

- Answer questions about the text
- Determine the central message in literary text
- Determine the main idea in informational text
- Describe a character in a story
- Refer to parts of a book
- Use headings to locate information
- Know and apply phonics to decode words
- Determine the meaning of unknown third grade words using context clues or appropriate resources.
